

drift

2015-16

Drift is our brand new range of modular sofas that just love to show off their curves...

With a variety of angles, curves and customisable back styles, Drift allows you to take on the role of designer and be as creative as you wish.

So whether you wish to create open-plan communal seating configurations perfect for sharing ideas and socialising, or private zones for focus, work and study, the Drift range empowers you to do so.

Band	Supplier/Design	Sample	Description	Colours	Qualities
A	Chieftain / Just Colour		Designed to withstand the rigorous demands of every day contract use, the Just Colour vinyl range features a rich blend of vivid contemporary colours along with warm, classic neutrals in a clinically smooth texture.	54	 Crib 5  100k rubs Durable  Washable  Anti-Microbial
B	Panaz / Aston		A premium faux leather that is among the best in the market for both style and practicality. Aston tops all of its rival vinyls for durability, scratch & stain resistance, and anti-microbial technology. What's more, this vinyl has a beautiful textured finish to make it look just like real leather.	30	 Crib 5  350k rubs Durable  Washable  Anti-Microbial
B	Spectrum / Faux		A top-performing vinyl range boasting well over 80 colours (enquire to see more). Spectrum Faux Leather is a hard-wearing, wipeable vinyl with a protective finish proven to resist staining, scuffing and abrasion.	87	 Crib 5  100k rubs Durable  Washable  Anti-Microbial
B	Camira / Advantage		70% Polypropylene; 30% Virgin Wool. A durable wool blend available in 40 colours (click link below to see full chart of colours) ranging from bright reds and greens through to subtle and sleek greys. Advantage is ideal for formal seating areas and offices that expect to see frequent use.	40	 Cig & Match  90k rubs Durable
C	Sunbury / Atlanta		A super-strong, ultra-durable, UV-resistant, waterproof fabric that will meet the demands of even the heaviest contract use. Atlanta is a popular choice for schools, colleges, community centres and the like given that as well as being hard-wearing and washable, it offers a terrific range of bright and bold colours.	17	 Crib 5  60k rubs Durable  Washable  Waterproof  Anti-Microbial
C	Camira / Mainline		67% Virgin Wool; 33% Viscose. An ever-popular virgin wool fabric with remarkable resistance to abrasion, Mainline is soft to touch yet hard-wearing enough for frequent contract use and comes in 40 colours with an impressive range of blues and purples.	40	 Crib 5  75k rubs Durable
C	Camira / Denim		90% Wool, 10% FR Viscose. The aptly-named Denim fabric mimics all the characteristics of jeans and is a clean, crisp wool with a plain weave which comes in a range of two-tone colours. Functional and practical, Denim is a great choice for those trying to create a trendy interior whilst not compromising on durability.	18	 Crib 5  40k rubs Durable  Eco-Friendly

fabrics

We have an extensive fabric & faux leather upholstery options for our furniture to tailor them to any environments needs. The ranges below are available for drift.

Band	Supplier/Design	Sample	Description	Colours	Qualities
D	Camira / Blazer		100% Laneve Wool. Made from totally natural and renewable Laneve Wool in New Zealand, Blazer is a premium fabric offering an expansive range of beautiful solid and melange shafes. Ideal for offices, Blazer is the pick of the bunch when it comes to elegance and luxury.	60	 Cig & Match  50k rubs  100% Wool
D	Camira / Hemp+		60% Wool, 40% Hemp. Blended with Pure New Wool into a 60-40 wool-hemp yarn, Hemp is then woven into a classic plain weave fabric. When piece-dyed, only the wool portion becomes coloured which produces a wonderful speckled finish that is full of character.	31	 Crib 5  50k rubs  Eco-Friendly
