

geo

2015

The Geo range allows you to create flexible seating arrangements to suit a whole host of environments including school breakout areas and studyspaces through to office workspaces and reception areas.

Because the Geo range is so widely-configurable, it can be rearranged whenever required to create group spaces for collaborative work or study, casual meeting areas and relaxation areas for socialising.

shapes & sizes

“The **geo** range is designed for premium comfort with sofa-life styling and has a thicker, shaped seating pad.”

Band	Supplier/Design	Sample	Description	Colours	Qualities
A	Chieftain / Just Colour		Designed to withstand the rigorous demands of every day contract use, the Just Colour vinyl range features a rich blend of vivid contemporary colours along with warm, classic neutrals in a clinically smooth texture.	54	 Crib 5  100k rubs  Washable  Anti-Microbial
B	Panaz / Aston		A premium faux leather that is among the best in the market for both style and practicality. Aston tops all of its rival vinyls for durability, scratch & stain resistance, and anti-microbial technology. What's more, this vinyl has a beautiful textured finish to make it look just like real leather.	30	 Crib 5  350k rubs  Washable  Anti-Microbial
B	Spectrum / Faux		A top-performing vinyl range boasting well over 80 colours (enquire to see more). Spectrum Faux Leather is a hard-wearing, wipeable vinyl with a protective finish proven to resist staining, scuffing and abrasion.	87	 Crib 5  100k rubs  Washable  Anti-Microbial
B	Camira / Advantage		70% Polypropylene; 30% Virgin Wool. A durable wool blend available in 40 colours (click link below to see full chart of colours) ranging from bright reds and greens through to subtle and sleek greys. Advantage is ideal for formal seating areas and offices that expect to see frequent use.	40	 Cig & Match  90k rubs Durable
C	Sunbury / Atlanta		A super-strong, ultra-durable, UV-resistant, waterproof fabric that will meet the demands of even the heaviest contract use. Atlanta is a popular choice for schools, colleges, community centres and the like given that as well as being hard-wearing and washable, it offers a terrific range of bright and bold colours.	17	 Crib 5  60k rubs  Washable  Waterproof  Anti-Microbial
C	Camira / Mainline		67% Virgin Wool; 33% Viscose. An ever-popular virgin wool fabric with remarkable resistance to abrasion, Mainline is soft to touch yet hard-wearing enough for frequent contract use and comes in 40 colours with an impressive range of blues and purples.	40	 Crib 5  75k rubs Durable
C	Camira / Denim		90% Wool, 10% FR Viscose. The aptly-named Denim fabric mimics all the characteristics of jeans and is a clean, crisp wool with a plain weave which comes in a range of two-tone colours. Functional and practical, Denim is a great choice for those trying to create a trendy interior whilst not compromising on durability.	18	 Crib 5  40k rubs  Eco-Friendly

We have an array of fabric and faux leather ranges each containing a rich blend of colours which you can find on our website or in our fabrics brochure.

Band	Supplier/Design	Sample	Description	Colours	Qualities
D	Camira / Blazer		100% Laneve Wool. Made from totally natural and renewable Laneve Wool in New Zealand, Blazer is a premium fabric offering an expansive range of beautiful solid and melange shafes. Ideal for offices, Blazer is the pick of the bunch when it comes to elegance and luxury.	60	 Cig & Match  50k rubs  100% Wool
D	Camira / Hemp+		60% Wool, 40% Hemp. Blended with Pure New Wool into a 60-40 wool-hemp yarn, Hemp is then woven into a classic plain weave fabric. When piece-dyed, only the wool portion becomes coloured which produces a wonderful speckled finish that is full of character.	31	 Crib 5  50k rubs  Eco-Friendly
